Dear Parent's

Greetings !!

We are happy to announce that from September 16,2020(Wednesday),we are going to teach the 6th Subject i.e. Information Technology (IT) as a vocational Subject in Class 9 to 11.

CBSE has made provision for students of class 9 to 11 to opt for a vocational subject as sixth subject under the remodeled structure of assessment.

Under this provision, if a student could not clear any one of the three elective subjects then marks for that paper will be replaced by those scored in vocational paper.

So, we hereby are sharing the revised class Time-table with you for the same.

Regards
