## **SAN MARINO PUBLIC SCHOOL**

**San Marino Public School is one of the most reputed C.B.S.E. and co-educational institution in Indore, dedicated to foster the intellect and personality development of the young learners of the school.**

**The school was established in 2001 by a group of visionaries- Mr. Mahesh Patidar, Mrs. Hemlata Patidar with significant support of Mr. Umesh Patidar, and Mrs. Dipika Patidar to provide quality education with latest teaching aids to all the sections of society .**

**We believe that intellect should be in proportion to all the limbs of life in balance, so the School Management Committee along with the Principal has prepared a multi dimensional, Continuous & Comprehensive Development programme. for the students By which the students are setting benchmark in the field of sports, literature and academics.**

**In SMPS, we believe that the children are lively beings-more lively than the grown-ups, who have shells of habits around them. Therefore it is absolutely necessary for their mental health and development that they should not have schools for their academic lessons only but a world whose guiding spirit is personal love. We are providing them this world with personal love and care.**
