## ABOUT

# SAN MARINO PUBLIC SCHOOL

San Marino Public School is one of the most reputed C.B.S.E. and co-educational institution in Indore, dedicated to foster the intellect and personality development of the young learners of the school.

The school was established in 2001 by a group of visionaries - Mr. Mahesh Patidar, Mrs. Hemlata Patidar with significant support of Mr. Umesh Patidar and Mrs. Dipika Patidar to Provide quality education with latest teaching aids to all the sections of society.

We believe that intellect should be in proportion to all the limbs of life in balance, so the School Management Committee along with the Principal has prepared a multi dimensional, Continuous & Comprehensive Development programme. for the students By which the students are setting benchmark in the field of sports, literature and academics.

In SMPS, we believe that the children are lively beings-more lively than the grown-ups, who have shells of habits around them.

Therefore it is absolutely necessary for their mental health and development that they should not have schools for their academic lessons only but a world whose guiding spirit is personal love. We are providing them this world with personal love and care.
